8. OTHER BUSINESS

Ms. Higginbotham advised that it is now July, so it is time to talk about our FY 2022 budget. Ms. Higginbotham advised that no voting by the BOS is required at this meeting. In June, the preliminary assessed values were received from the Counties (Orange and Osceola), and we have started working on the 2022 Budget. Ms. Higginbotham advised that we will need to file, in August, with the County Property Appraiser our Millage Rate for the TRIM notices. This rate can go down, but it cannot be increased once it has been submitted. Ms. Higginbotham advised that initial meetings have been held with all of RCID's Department Heads. In addition, a settlement of \$6M was reached related to Disney's lawsuit against the values determined by the Orange County Property Appraiser's office. Ms. Higginbotham advised that we had set aside \$5M in funds in case any taxes needed to be refunded due to this lawsuit. Ms. Higginbotham advised that assessed values are down 9.3% and are effective as of January 1, 2021. Ms. Higginbotham advised that last year, pre-COVID, our assessed values were \$13.8B, but this year, there was a decrease to \$12.59B.

Ms. Higginbotham advised that the detailed budget will be shown at the budget workshop in August. Ms. Higginbotham advised that since we only have four BOS members and one open seat, Trim Notices' calculation for Millage Rate will be at 8.8641 Mills for Operating and 4.91 Mills for Debt for this coming year. Ms. Higginbotham advised that our normal budget workshop will be held at our August 25th BOS meeting and our two budget meetings held on September 15th and September 29th. Ms. Higginbotham advised that certain Millage Rate increases require that the majority of our BOS Members attend these meetings, so please mark your calendars and plan to attend as we only have four BOS members at the present time and need all four in attendance.

Mr. Quinn gave a brief update for Mr. Mark Swanson for RCES. Mr. Quinn advised that there has been a significant increase in consumption in the last six months. Mr. Quinn advised that based on projections, effective October 1st, rates will drop a little. At the beginning of COVID-19, rates were increased by 10%. Mr. Quinn advised that more information will be provided at August's budget workshop.

President Hames then asked if there was any further business to discuss.

Mr. Classe advised that Ms. Blakeslee had given him a joke calendar a couple of years ago. He saved several of the best ones and then read them to the BOS and attendees.

Mr. Classe advised that the next BOS meeting will be held on August 25th at 9:30 a.m.

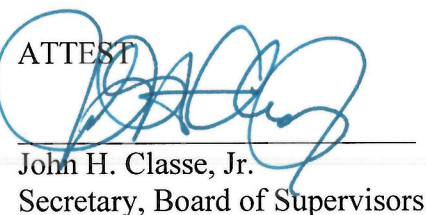

Mr. Classe then presented the Final Thought from Gene Perret, Screenwriter, The Carol Burnett Show, "*Retirement: That's when you return home from work one day and say Hi Derek, I'm home forever.*"

There being no further business to come before the Board, the meeting was adjourned at 10:30 a.m.
