Hi [REDACTED]

I hope you had a great Holiday!

Thank you for the updated menu selections. Based on your selections, I have created the BEO. Please review the BEO, and let me know if you have any questions or updates. If all looks good, please sign and return the BEO by Tuesday, November 29.

The Estimate of Catering Charges has been sent to accounting to charge next week. If your count has changed, please let me know, so I can update accordingly. NOTE: I sent an email to Encore to confirm they are charging you directly.

I have also attached a diagram with table numbers that correspond to the attached Table Assignment Worksheet. Please use the attached worksheet to assign tables to your Guests and let us know of any allergies or dietary concerns. Please return this worksheet to Jayna, Jordan and myself by December 9, 2022.

I saw that you have scheduled a run through of the AV presentation at The Vue on November 30 at 1:00 PM. Jordan will be attending. I have reached out to AV to see if they need anything set for the LED Wall test. I have a meeting at 1:00 PM, but Jordan or Encore will let us know if there is anything you need from us. We will have self-parking vouchers available for Jordan, just let us know how many you will need.

Please do not hesitate to reach out with questions. Have a great weekend!

Thanks,

Kristie
